- Brood stock and Purchase Intakes
- Parent and Children Genealogy where the fish are split into several groups for grading etc.
- Feed Traceability such as Production Run No's used by the Feeding Companies.
- Feed/Growth Management
- Marine Farm Production Returns

Harvest
The module accepts data input for

- Harvest by Fish Id group
- Harvest Processing
- Processors

Site Layout
- Accepts maps and shows monitoring points
- Tank/Pond, Bank and Incubator details

People
- Customer, contacts and staff records

Sales
The module accepts data input for
- Customers
- Placement of Customer Orders
- Customer Pricing
- Packing and Shipping
- Customer Variance Management

Ordering/Deliveries
The module accepts data input for
- Placement of orders to Suppliers
- Supplier / Order Locations
- Carriers/Deliveries

Budget
The module accepts data input for
- Farm costs
- Stocking density predictions

Maintenance
The module accepts data input for
- Maintenance Schedules and Requests
- Plant Recording
- Operational costing

The software includes the following:

Reports/forms/graphs:

- Hatchery Intake Report
- Hatchery Dispatch Report.
- Fish ID's stock control.
- Morts in Detail Report
- Morts in Summary Report.
- Feeding schedule, consumption analysis, stock take and usage rates.
- Growth/feed rate mortality.
- Growth/feed consumption.
- Grading and swim thru.
- Fish Health.
- Stock monitoring.

- Cage assignment control.
- Fish movements, including Grading and Swim Thrus.
- Site layout.
- Inventory management.

- Hatchery to Harvest Traceability.
- Orders and deliveries.
- Customers and suppliers.
- Summary Works Report
- Growth Ration Curve Report
- Specific Growth Report
- Weight / Feed Events History Report
- Harvest Wharf analysis Report
- Harvest Morts Report
- Harvest Processing Report
- Harvest Summary Report
- Harvest Variance of Sizes Report
- Harvest Variance Report
- Consignment notes Report
- Customer Sales Management Report

Wizard Programs:
- Rapid feed Data Import
- Dive Watch Import
- Year Class Roll Over Wizard
- Rename Net No Wizard
- Re-Assign Cage Ids Wizard

Cyberrob

SYSTEMS

ABN 66 793 141 748

- Temperature Data Upload Wizard
- Data Checking Wizard

The **Benefits** of '**Salmon Management System** include:
- Substantial Labour Costs Savings
- Reduced Fixed Operational Costs
- Miminise Training Effort and Cost
- Help is Always On Hand
- Timely Information
- Easy Report Production – All at the Click of a Button
- One Stop Environmental Reporting
- Focus on the Business and Not on the Technology
- Open Access to All Users
- Clear Accountability and Time Management
- Traceability for Every Step in the Process

The **Features** of '**Salmon Management System** are:
- One System for all Data
- User Customisable
- Provides Up to the Minute Reporting
- Fast Data Entry
- You Decide What Is Reported
- Customised Work Flow
- Conversion and Set Up is Easy
- User Access Defined
- Windows Based Technology
- Easy interface capability with weight scales, monitoring equipment and accounting packages.

Pricing

Pricing is $100 Australian Dollars per month subscription.

Payment is via our website www.cyberrob.net

You also get free upgrades, bug fix release patches, and you become part of our networked development partnership program where you can ask for additional changes to the system to suit your business.

Our system is quite unique in its ability to adapt to your business using special object programming technology

Any additional changes is chargeable to you but at very competitive rates.
