---

The software includes the following reports/forms:

- Catch/Tow Intake Report
- Feeding Trip Report
- Tag Fish Report
- Diving Report
- Freezer (Summary & Detail) Report
- Swim Thru Report
- Mortalities Report
- Cage & Net Report
- Pallet/Bin Report
- Environmental Monitoring Report
- Production Report Harvest/Sales Report
- Sales Invoice Form
- Harvest Packing Form
- Forecast Sales Report
- Order Summary Report

The **Benefits** of **Tuna Management System** include:

- Substantial Labour Costs Savings
- Reduced Fixed Operational Costs
- Minimise Training Effort and Cost
- Help is Always On Hand
- Timely Information

- Production Forecasting

The software includes the following Wizard Programs:

- Container Pallets Delivery
- Rename Customer Fish Order
- Temperature Data Upload
- Dive Watch Import
- Pallets Sold Wizard
- Rename Purchase Order
- Year Class Roll Over
- Data Form Wizard for automatic form generation for data capture
- Freezer Transfer
- Data Checking
- Harvest Data from Hand Held Import

- Easy Report Production – All at the Click of a Button
- One Stop Environmental Reporting
- Focus on the Business and Not on the Technology
- Open Access to All Users

- Clear Accountability and Time Management
- Traceability for Every Step in the Process

The **Features** of 'Tuna Management System' are:

- One System for all Data
- User Customisable
- Provides Up to the Minute Reporting

- Fast Data Entry
- You Decide What Is Reported
- Customised Work Flow
- Conversion and Set Up is Easy
- User Access Defined
- Windows Based Technology
- Easy interface capability with weight scales, monitoring equipment and accounting packages.

### Pricing

Pricing is \$100 Australian Dollars per month subscription.

Payment is via our website [www.cyberrob.net](http://www.cyberrob.net)

You also get free upgrades, bug fix release patches, and you become part of our networked development partnership program where you can ask for additional changes to the system to suit your business.

Our system is quite unique in its ability to adapt to your business using special object programming technology

Any additional changes is chargeable to you but at very competitive rates.
